Volunteering – Gain Experience and Skills

Student Volunteering
Volunteering is a way of supporting Not-For-Profit organisations (NFP) and getting involved in your community.

Students can become involved by running their own project, running an event or Volunteering at NFP’s.

Since 2002, we’ve been matching Bendigo volunteers to the not-for-profit sector with some amazing and sometimes life-changing results.

If you’re considering volunteering, start at the Bendigo Volunteer Resource Centre.

Let us know your skills and talents and what you want to gain from volunteering. Whether it’s to learn new skills, help you, the community or the environment, we guarantee the rewards will be great.

Benefits for students:
- Students will get opportunity to have work experience during their course
- Gaining skills and knowledge that cannot be taught inside university
- Improving leadership skills
- Working In teams
- Early network progress within student’s field of study towards their future career
- Getting a feel of possible future career position
- Talking to current professionals
- Contributing to something you believe in
- Create positive change to your community
- Looks great on your resume

Volunteering – Gain Experience and Skills

Conservation Volunteers Australia Bendigo region welcomes students on their spring/summer break to volunteer on our rewarding Conservation projects.

- Enjoy the peace of getting out in nature helping to conserve our environment
- Feel great from getting physically active, and
- Make a visible difference for our local environment

You may want to develop your work skills, include us in a Gap Year, add us to your resume or get practical experience in Conservation and Land Management as a career path.

You can choose to volunteer for as little as one day or up to five days a week, Monday to Friday, 8am to 3.30pm.

Free transport departs 420 Hargreaves Street Bendigo at 8.15am next door to the Good Leaf Bakery.

For more information please contact Adam Smolak on 54440777, 0427 507 004 or email asmolak@conservationvolunteers.com.au
