What other China trippers said

- Going to China and being able to use the language in a real life situation and experiencing the culture has been one of the best experiences of my life-Jarett Boorn
- This China trip was an amazing experience. Some of the highlights of the trip were the Great Wall and the Pearl Tower. -Felicity Harrip

What other China trippers said

- I think the trip was superb but tiring and I would go back in the future. It was very different and very enjoyable and it was great to meet new people. -Draven
- It was great to see our students make friends in China while enjoying their journey visiting different places.- Delan
