

VCE FRENCH

Why study French?

The study of French develops students' ability to understand and use a language which is widely learned internationally, and which is an official language of many world organisations and international events.

The ability to use and understand French also provides students with a direct means of access to the rich and varied culture of francophone communities around the world.

France-Germany Cultural Exchange

⇒ Students have the great opportunity to travel to Switzerland, Germany and France for a 6 week cultural and language trip.

⇒ Students will experience a range of touristic and cultural activities for a week:

- In Switzerland: Zurich, The Swiss Alps, Engelberg, Lucerne.
- In Germany: Munich, Dachau concentration camp memorial, Neuschwanstein Castle.
- In France: Paris' highlights—Eiffel Tower, Louvre Museum, Notre-Dame, Arch of triumph, Sacred Heart Basilica.

⇒ Students will then experience 5 full weeks in immersion staying with French/German host families, going to the local high-school and experiencing Christ-mas in Europe.

The study of French contributes to the overall education of students, particularly in:

- ⇒ Communication
- ⇒ Cross-cultural understanding
- ⇒ Literacy
- ⇒ General knowledge.
