

November 2021

Dear Parent/Carer

Bendigo Senior Secondary College is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions schedule for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our college can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our college and the programs we can offer.

Within our college this support has allowed us to provide:

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- Enhanced ICT & digital learning opportunities, and
- Maintenance of college facilities and grounds.

Bendigo Senior Secondary College will provide families with an online personalised subject booklist through EdPlus, our booklist provider (www.edplus.com.au). You can log in using your student's BSSC code which has been provided to you by email.

The following document contains a breakdown of the Voluntary Financial Contributions Schedule for all subjects that we offer. Please note that once you log into Edplus, only the subjects selected by your student will appear. Stationery items have also not been included in the information below.

We are happy to assist with any questions or enquiries at any time.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Dale Pearce
Principal

Damien Tangey
College Council President

Educational items for students to own

The college will provide parents/carers with a list of educational items that you can choose to purchase from a *third-party provider* for your student to individually own and use. There are many advantages to students owning materials for personal use rather than a shared arrangement. Where parents/carers would like to purchase these items they can do this through our current Booklist Supplier, Education Plus (www.edplus.com.au) who provide the following items:

- Textbooks
- Stationery
- Technology & Art Kits
- Consumables
- Calculators and
- Other classroom subject resources

There are also a range of second-hand book opportunities available through online communities. A list of texts and resources appropriate to buy can be found on the BSSC Second-hand books Facebook page where items can also be purchased.

The following three categories are used by the Department of Education as a reference for schools to outline the types of voluntary payments available and the associated items in this document are colour coded accordingly.

1. Curriculum Contributions

These include items and activities that students use, or participate in, to access the Curriculum and Educational Items such as Textbooks, Calculators, Stationery, Art Kits, compulsory curriculum camps and excursions and learning resources.

2. Other Contributions

Non-Curriculum items and activities to support the daily operation and objectives of Bendigo Senior Secondary College and to support students and school programs. This includes: ID card, print credits, high speed internet, Compass and ICT & BYOD Support.

Tax deductible contributions made per family towards Bendigo Senior Secondary College's:

- Building Fund (to support renovations, upgrades, and maintenance of school infrastructure)
- School Library (to support book purchases and other equipment that sustain the library as a valuable resource)

3. Extra-Curricular Items and Activities

Bendigo Senior Secondary College offers a range of items and activities on a user-pays basis. These include a range of excursions, costs associated with the ADP and the purchase of our college Magazine.

Vocational Educational Training (VET)

From 2022, the Department will reimburse VET material fees to the college to address the cost barrier for families. This funding covers the costs of:

- Materials required for training and assessment that are consumed and cannot be recycled. **Please note students may wish to upgrade materials for certain projects (i.e. upgrade from pine to mahogany). Any upgrade from the materials provided by BSSC is considered an OPTIONAL ITEM, as per the description above.**
- Safety items worn or used by the student including hearing protection, gloves, hair nets.
- Workbooks, handouts, photocopying, online learning resources
- Class sets, intended to be returned and retained by the school, such as textbooks, tools, tool belts, specialist knives, aprons

However, this funding does not cover all costs associated with the facilitation of VET classes. The payment of the following items is supported by Voluntary Financial Contributions from families:

- Transport costs and hire of specialized facilities required for training or assessment
- Personal Protection Equipment (PPE) worn and retained by the student
- Online registration/subscription fees, platform charges, software
- Tuition fees, registration, and administration fees
- Tools upgrade or purchase initiated by the parent

Financial Support for Families

Bendigo Senior Secondary College understands that some families may experience financial difficulty and offers a range of support options, including:

- Camps, Sports and Excursions Fund provides payments for eligible students to attend camps, sports, and excursions
- *Instalment payment arrangements* - The College appreciates that there can sometimes be financial difficulties experienced by parents and carers in meeting requests for payments and contributions. A range of support options are available through the college.

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact the Wellbeing Team on 5443 1222 or email wellbeingstaff@bssc.edu.au.

Payment methods

Curriculum or other contributions can be made at any time throughout the year by Direct Deposit, EFTPOS, and Cash or by contacting the Finance Office. A direct deposit can be made using the following details:

Account Name: BSSC
BSB: 063 506
Account No: 00907295
Reference: Use your student's BSSC student code
Payments can also be made via the booklist.

Refunds

Parent requests for refunds are subject to the discretion of the college and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, pursuant to the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy, and any other relevant information.

I have read all this, what do I do now?

1. *Use this document to make a decision about whether you wish to purchase any of the items listed for personal use.*
2. *Log onto EdPlus (www.edplus.com), follow the instructions on the page and view a personalised booklist that will only show the subjects your student is enrolled in and the corresponding items that are associated with the subjects*
3. *If you wish to purchase text books, check out the second hand book options through the BSSC second hand books Facebook page*
4. *For any items you wish to purchase, tick the relevant items on Edplus*
5. *Follow the details about collecting these items from the book sellers*

<p>Curriculum Contributions - items and activities that students use, or participate in, to access the Curriculum and Educational Items such as Textbooks, Calculators, Stationery, Art Kits, and compulsory curriculum camps and excursions. CSEF can be allocated for camps & excursions. Suggested costs are outlined below in orange.</p> <p><i>This guide includes suggested contributions for each subject. Contributions can be paid for when completing your online booklist which is available at www.Edplus.com.au.</i></p>

A reminder: what to do now

1. Use this document to make a decision about whether you wish to purchase any of the items listed for personal use.
2. Log onto EdPlus (www.edplus.com), follow the instructions on the page and view a personalised booklist that will only show the subjects your student is enrolled in and the corresponding items that are associated with the subjects
3. If you wish to purchase text books, check out the second hand book options through the BSSC second hand books Facebook page
4. For any items you wish to purchase, tick the relevant items on Edplus
5. Follow the details about collecting these items from the book sellers

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
