**BENDIGO SENIOR
SECONDARY COLLEGE**

A Message From the Principal

Welcome to our 2022 Awards Ceremony.

Tonight's event is an opportunity to recognise and celebrate the efforts of our students. While 2022 has seen a return to something closer to 'normal', many of our students have been challenged during the year with COVID infection and isolation, so it's wonderful to be able to acknowledge their achievements here this evening.

Year 11 students receiving awards tonight are positioned to do well with their studies in 2023. Your award tonight recognises the effort you've made to be successful and you will need to maintain this next year; please use the coming months to prepare well for that challenge.

Congratulations to all our graduating students. The support of your family, teachers and friends has enabled you to achieve the success you are being recognised for here for this evening. As you approach the next, exciting phase of your life please know that you do so with our best wishes for a happy and successful future. Many challenges and opportunities lie ahead, approach them with confidence.

Congratulations to all students who will receive awards this evening and thank you to the staff who have helped organise tonight's ceremony.

College Song

Words by Ms Zoe Hasslett

Verse One

Fling wide the gates before us,
For all the world's our own.
Sing on in mighty chorus,
To glories yet unknown.
The school upon the hill top,
The linden tree in spring,
Our hearts will still remember,
While Bendigo we sing.

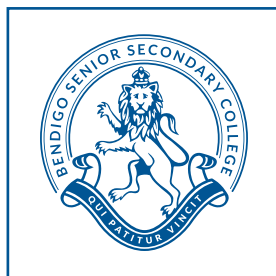

Chorus

'Qui patitur vincit'
The challenge assures,
'He conquers, he conquers,
Whoever endures.'

Verse Two

Like stars from ages shaken,
The golden memories fall,
The passing years awaken,
The noblest dreams of all,
The lion guards forever,
The school upon the hill,
Wherever we may wander,
Her voice is with us still.

Chorus

Students Shortlisted for Student of the Year and Miss Florence Anderson Memorial Award

Muhammad Khan

Muhammad successfully nominated for Vice-President of the 2022 Student Leadership Team and has become a familiar and friendly face around the college and enthusiastic supporter of college events.

He approached his role in SLT with diligence and integrity becoming an indispensable and respected member of the team.

Reflecting on his time at the college, Muhammad believes he's been positively influenced by the atmosphere, variety of choices and support available at BSSC.

Muhammad was a key driver behind the first Year 12 Formal since Covid lockdowns. He's also helped lead Harmony Day, Cultural Diversity Day, RUOK day, and Ride-to-School Day. He was a speaker at Open Day and a co-host of the Anzac Day ceremony. He recently featured in a promotional campaign to endorse the college values of respect, optimism, learning and engagement.

Behind the scenes, Muhammad was also assisting the library staff to modernise their website. He was one of the students who shared his opinions of BSSC for the recent college review. While prioritising his studies, Muhammad was also active in various community organisations. A growing awareness of Bendigo's rapidly rising food insecurity, prompted him to work with Bendigo Food Share.

Concern about the consequences of disturbing intricate environmental balances inspired him to get involved in tree-planting on National Tree Day. This year Muhammad also participated in the youth climate summit, Power Shift 2022, which urges people to consider how their decisions impact their carbon footprint.

Muhammad is planning to study medicine and commented earlier this year; "Medicine is the right pathway for me... because I want to make a difference to people's lives. I also like to focus on the scientific side—the how and why of things—so I feel I've found my way."

Ilise Laidlaw Grealy

BSSC's Student Leadership Team was a natural choice for Ilise who's always had a love of learning and actively sought opportunities to gain new experiences and skills.

Leader of the SLT Events Team during 2022, she helped roll out the popular new school beanies and plan the College Formal, Wellbeing Week and RUOK Day. She also played a leading role hosting BSSC's Anzac Day ceremony. Ilise is the force behind BSSC's involvement in the One Girl charity, 'Do It In A Dress'. She's been an ambassador for the charity since 2020.

Ilise is a Scout who has been awarded the prestigious Queen's Scout Award. Her community service for this award included volunteering at a local animal shelter. In 2023 she will join a small group of scouts heading to Switzerland to represent Australia at the 100th Kandersteg International Scout Camp.

In the midst of VCE, Ilise found time to become an abseiling guide, undertake first aid training and speak at community ANZAC ceremonies.

2021 saw her taking a lead part in a community theatre production and helping organise activities for 420 Cub Scouts who attended a five day 'Cuboree'.

She plays violin and enjoys participating in musical and orchestral events.

As well as this, Ilise runs a tutoring business assisting younger students with Maths, English and Science—something she continued online during Covid. Feedback from those who have worked with Ilise on a variety of teams—both at this college and in other settings—has been nothing but positive.

Consistently commended for her democratic and participative style of leadership, Ilise believes the best teams ensure members are respectful to each other, value one another's input, and enjoy the process.

Keira Long

Alongside her VCE Visual Art and VET Music studies, Keira is a young artist gaining accolades for her bold illustrative style.

Kiera has contributed to numerous exhibitions and competitions during her time at BSSC and is a recipient of the Margaret Standen Bursary.

Her artwork was recently shortlisted for Top Arts 2023 which recognises and exhibits extraordinary art by 2022 VCE Art students. She was also shortlisted in the 2022 Australian Zart Art School Competition.

Alongside Koori Engagement Support Officer, Kerri Douglas, Keira is helping create artwork acknowledging the Dja Dja Wurrung people as traditional owners of college land.

Early in 2022 she gifted Huntly Kindergarten with a remarkable sugar glider constructed from bottle tops and also designs merchandise for singer-songwriter Scott Darlow.

Kiera has exhibited in Palliative Care Australia's annual art exhibition; the Knuldoorong Art Exhibition; the St Paul's Art Show; Class Clowns Artwork competition, and the 'No Longer Mute' exhibition displayed in Pennyweight Lane.

Kiera contributed to the Dunolly Women's Art Trail and The Vinyl Collection—artworks on vinyl records and to a pride art exhibition in Queensland. She submitted artwork to the Koori Youth Summit and 10th Koori Awards which will be displayed in Melbourne until February 2023. She participated in La Trobe University's 'Djarra Lights' program and was honoured with their 'Infinity Award' in 2021.

Bendigo and District Aboriginal Corporation awarded Keira a Naidoc Week academic award. Her support of young artists saw her spend last term's holidays working for Cartoon Kingdom—offering instruction to kids learning cartooning. She participated in this year's Raw Arts Click Fest and somehow finds times to play footy for White Hills Demons.

A proud Aboriginal woman, Keira wants “to inspire First Nations children everywhere to follow their dreams.”

Ciaran Noble

Ciaran has consistently taken on leadership roles offered by the colleges he has attended. At Eaglehawk Secondary College he was a Community Leader and School Captain.

He joined the Student Leadership Team last year and is 2022 SLT President.

Ciaran's made the most of various academic opportunities—achieving a distinction in the Australian Maths Competition and competing in the coveted Waverley Prize for essay writing. He was selected as a University of Melbourne Kwong Lee Dow Young Scholar—giving him access to extra revision lectures and mentoring.

He attended the 'Communities in Control' conference. The forum concentrated on issues around inequality in Australia this year.

Ciaran has enjoyed being part of BSSC's debating team—a skill that became a great benefit when he nominated for the Lions Youth of the Year. Ciaran won the regional event and progressed to the Youth of the Year zone final.

A keen and accomplished volleyball player, Ciaran was delighted when BSSC reached the Victorian Schools Sport state finals. He also represented BSSC in table tennis.

In 2021, as a member of the Bendigo Youth Council and Youth Parliament team, Ciaran found another outlet for his debating skills as Youth Parliament discussed a proposal to improve education access for rural and remote students.

Ciaran plays piano, clarinet and guitar, and was part of the Bendigo Instrumental Music Program for five years.

He says being SLT President has advanced his public speaking, delegation and organisational skills.

He nominates hosting the ANZAC ceremony and helping organise activities such as the college formal and numerous other special days as highlights.

"There are no negatives to being part of SLT," he says. "I loved being in this extroverted group of people so keen to make a contribution."

Jemma Pearce

Jemma has been an enthusiastic member of BSSC's Debating Team, the Student Leadership Team, BSSC College Council and the Education Committee.

Despite the variety and richness of her interests, her VCE studies remained Jemma's priority. She describes her involvement with these diverse BSSC groups as an opportunity and a privilege.

At the beginning of this year Jemma put her hand up to be a candidate for the Lions Youth of the Year. She described the experience as "incredibly valuable" and says it greatly strengthened her public-speaking skills which in turn enriched her debating skills. Jemma was delighted when BSSC's Debating Team made it to 2022 state finals.

Through SLT Jemma has contributed to the organisation of many SLT events including the College Formal, One Girl's 'Do it in a Dress', 'Wear it Purple' day, RUOK day, and numerous others.

Jemma was selected to attend the prestigious National Youth Science Forum during January 2022. The Forum connected her with like-minded STEM students from across Australia. At NYSF she also met—and was inspired by—some of Australia's most awarded scientists including Nobel Prize winners.

Dreams of studying anthropology or astrophysics were strongly reinforced—as was her love of learning.

"I don't know why, where or when I learned to love learning," she says. "I've just always been passionate about growing my knowledge. Apparently, when I was in Primary School, I would ask my teachers for homework to do during the school holidays."

Unsurprisingly, one of Jemma's heroes is the late great Stephen Hawking.
