

# Visitors policy

## Purpose

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to BSSC.

## SCOPE

This policy outlines our school's arrangements for visitors who attend school grounds when the school is open for instruction between the hours of 8.30 am and 4.30 pm, including parents and contractors. Outside of these times, our front office is not staffed and this policy does not apply.

## DEFINITIONS

*Child-related work:* As defined by the *Worker Screening Act 2020* (Vic), child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

## POLICY

BSSC strives to create an open and inclusive school community, and encourages parents and carers to be actively involved in their child's development and education. We also strive to foster strong partnerships with local community services, schools and other organisations.

BSSC is not a public place. The principal has the authority to permit or deny entry to school grounds, and encourages all visitors to familiarise themselves with our school's Statement of Values, Child Safe Policy and Child Safe Code of Conduct.

From time to time, different members of the public may visit our school. Visitors may include, but are not limited to:

- Parents
- Volunteers – see our school's Volunteers Policy for more information
- Prospective parents, students and employees
